Term 1 - 1<sup>st</sup> September - 19<sup>th</sup> October

Newsletter No.2 (2022/23)

Dear Parents and Carers,

Welcome to the second edition of the school's newsletter. The new academic year is well underway with school routines well established once again. There is a real buzz of learning around the school and the children have been enjoying immersing themselves in their new enquiries.

## Defibrillator

A huge thank you to the Friends of Queen's Crescent who have sourced and financed a school-based defibrillator. The defibrillator is going to be stored in a central location within the school building and staff will receive training on how to use the device. We hope that the staff and parents all feel reassured by the fact that we now have this life saving piece of equipment on the school site.

## Library Volunteer

We would very much like to reopen our non-fiction library. If you would like to volunteer to be our new school librarian then please pop along to speak with either Mrs Peters or Mr Stocks who will be more than happy to give you some more details about the role.

Thank you!

## Summer Reading Challenge

### After School Teacher Led Clubs

A Forms link for the available after school/lunchtime teachers led clubs will be emailed out soon. We will do our very best to accommodate all children, however, if the clubs are oversubscribed they might have to be split and shared out across the two terms. Thank you in advance to the teachers who are giving up their time to run these clubs this year.

Mr J Essam  
Head of School
